INTERNATIONAL

Sherle Wagner is recognized internationally as the premier source for luxury hardware and bath furnishings. We offer an ever expanding line of lighting, fine furniture, linens, textiles and wall coverings, to complement the timeless classics identified with the Sherle Wagner name. Our product range has grown and evolved while remaining consistent with the design and fabrication standards that have made us the leader in the industry since 1945.

Because all Sherle Wagner products are original, made by us from design inception to completion, the results are unparalleled. Our artisans use timeless old world techniques, so that every piece is truly matchless. The Sherle Wagner name is synonymous with luxury, characterized by fine detail, meticulous finishing and authenticity.

Sherle Wagner International was founded by a man with a passion for perfection and an eye for elegance, in a time when people were beginning to realize that the utilitarian did not have to mean the mundane. Mr. Wagner was devoted to the appreciation of art and architecture. He was, first and foremost, an artist. It was out of his astute understanding of aesthetics that the design concepts evolved which make Sherle Wagner International peerless in its field.
